Hi Marcy,

I hope you are well! I am just getting back to the office from “traveling” with the family and dropping my oldest at sleep away camp (I can’t even call it vacation anymore, because it was not easy!).

I am in receipt of your correspondence and am trying to coordinate a call with my client. Given schedules and summer traveling, would you mind giving me 2 weeks for a formal response? Please let me know.

Best,

**Alessandra Stivelman, Esq.**
